

Promoting Academic Success through Datebooks

PROJECT TITLE:

For example: Promoting Academic Success by Implementing Datebooks in Classrooms

APPLICANT INFORMATION:

School Name: For example: Lafayette Jefferson High School

Address: For example: 101 Main Street, Lafayette, IN 47905

Contact Person: For example: John Doe

Position: For example: Principal

Phone: For example: 555-555-5555

Email: For example: johndoe@lafayettejeffersonhighschool.com

PROJECT DESCRIPTION:

INTRODUCTION:

1. Introduce your school and its commitment to student success.
2. Highlight the role of datebooks in promoting academic achievement and personal responsibility.

Promoting Academic Success through Datebooks

GOALS AND OBJECTIVES:

For Example:

- Equip students with datebooks to help them manage their academic and personal schedules.
- Improve student accountability and reduce missed assignments and deadlines.
- Foster a culture of planning and time management within the school.

PROJECT PLAN:

Phase 1:

For example: Identify the number of students and datebooks required.

Phase 2:

For example: Order and distribute datebooks to students.

Phase 3:

For example: Provide training sessions on how to use datebooks effectively.

Phase 4:

For example: Evaluate the impact on student performance and make necessary adjustments.

BUDGET: Provide a detailed breakdown of the costs, including:

Datebooks:	[\$Amount]
Training session materials:	[\$Amount]
Miscellaneous:	[\$Amount]

EVALUATION:

Explain how you will assess the success of the project, such as tracking assignment completion rates, student feedback, and academic performance improvements.

Promoting Academic Success through Datebooks
