

# Saving Cover Artwork from Canva

If you are using Canva as your design program, with your design open, please follow these easy download steps:

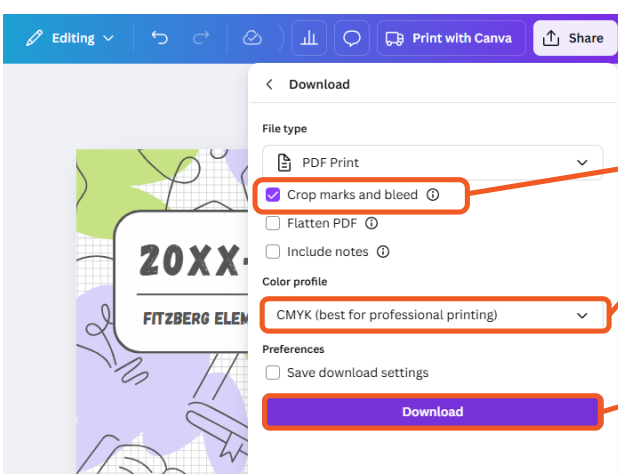

#1

Select top right  **Share** button.

#2

Choose  **Download**.

#3

Choose  **PDF Print** option from the drop-down.

#4

Check **Crop marks and bleed**, and if available choose **CMYK (best for professional printing)**.

#5

Click **Download**.
